## MOBILE

### More Than a Mouse

Works in the air, from your couch and on your desk. The Air Mouse® Mobile combines a mouse with the power of a gyroscope to provide true in-air computer control.

### In a Coffee Shop

Its convenient size and dockable receiver makes the Air Mouse® Mobile the perfect travelling companion. It includes a travel case for easy storage and transport.

### In the Office or Classroom

Whether you are teaching or giving a presentation, the Air Mouse® Mobile puts you in complete control and helps you make your point with powerful MotionTools® software.

- **Includes MotionTools® presentation effects software**
