

JELCO Padded Travel Case

Model
JEL-1080W

Features:

- Carry-on wheeled bag for the projector with inner area for laptop computer and accessories.
- Slim outer pocket for tickets and/or brochures.
- Non-slip extension handle locks at 36" and 43" with one hand for travel convenience.
- Ball bearing skate wheels glide smoothly over all surfaces.
- Extension platform prevents forward tipping and allows for extra items that may need to be carried.
- Black DuPont Original Ballistic Nylon fabric for durability with firm industrial grade foam and rigid ABS plastic interior for extra protection of the projector and computer.
- **Meets the latest airline carry-on restrictions.**

Outside Dimensions:
21.5" x 14" x 9"
Weight:
11.5 lbs.
