DESCRIPTION

The EST150 single stud short-throw projector wall mount features cable routing to discreetly manage signal and power cables through the arm. Radial Glide™ allows up to six degrees of smooth adjustment of the projector in any direction and for the projector to be positioned anywhere along the mount arm.

FEATURES

- Includes universal mount
- Mount carriage slides along projector arm for screen size adjustments
- Fits most short-throw projectors
- Cable management inside poles
- Install on a single stud
- Includes Lock-It™ security hardware with leveling barrel
