

CLARION

PROJECTION PERFECTION.

Improve your image—with a CLARION projection screen. How? The viewing surface is perfectly flat. And a perfectly flat viewing surface means perfect picture quality. We've redesigned the CLARION to simplify installation. The CLARION's self-concealing aluminum frame now forms an attractive 2" border, for a clean, theatre-like appearance. The 2" wide beveled, extruded aluminum frame interconnects on site with one simple hand tool that DRAPER provides. Permanent wall mounting brackets included.

SYSTEM OPTIONS
