# Presenting the Lowest Profile Dedicated Mount in the Industry.

As the newest addition to the Premier Mounts' new Galaxy line of projector mounts, the new PDS Series of Ultra Low-Profile Dedicated Mounts let you mount a projector less than 2-1/2" from the ceiling. With mounting plates designed to fit the industry's top selling projectors, the PDS series offers truly dedicated adaptability, ease of installation and integrated security. When it comes to design innovation, no one even comes close to Premier Mounts.

## PDS Series Specifications

- Lock-It™ Security Hardware included
- 33° roll (+/- 16.5°); 15° tilt (+/- 7.5°)
