peerless®

Vector Pro™ II

Vector Pro™ II provides a clean look with its NEW cable management capabilities. The included extension column connector incorporates internal cord management paths that keep unsightly cords concealed from view. The mount also features a ceiling plate, ball and socket design, multidirectional positioning (roll, pitch and yaw) for proper image alignment and complete Armor Lock™ security at every connection point. This projector mount is perfect for use in classrooms, boardrooms, hotels, bars and restaurants or anywhere a projector needs to be mounted. The Vector Pro™ II can be flush mounted to the ceiling or mounted on the wall. It can also be mounted using 1-1/2" diameter extension column or 1/2" thread rod.

• Features a 1-1/2" cord access hole for a clean appearance

• Ships fully pre-assembled for a quick and easy installation

• Ceiling plate included – ideal for any ceiling application
