FAQs

- Q: Will unit installation be possible on an existing lighting track?**
A: The Halo H-Type track is recommended. Dimming control cannot be used.
- Q: Is there an audio output?**
A: The main unit is not equipped with built-in speakers, but the audio output terminal allows connections to an external audio system.
- Q: What types of files are compatible from the SD Card?**
A: The following file formats are accepted:
Stills: jpg/jpeg, bmp
Video: mov, avi, mp4, mpg/mpeg, wmv
- Q: What is the relationship of projected image size to throw distance and illuminance?**
A: See the table below.

*The sizes above listed may have some variations. Also, when keystone corrections are made, the corrected image size may be smaller than the size specified.

02 Images and text data can be displayed simultaneously.

03 Video can be projected with brand logos for dynamic content.

NEW Space Player

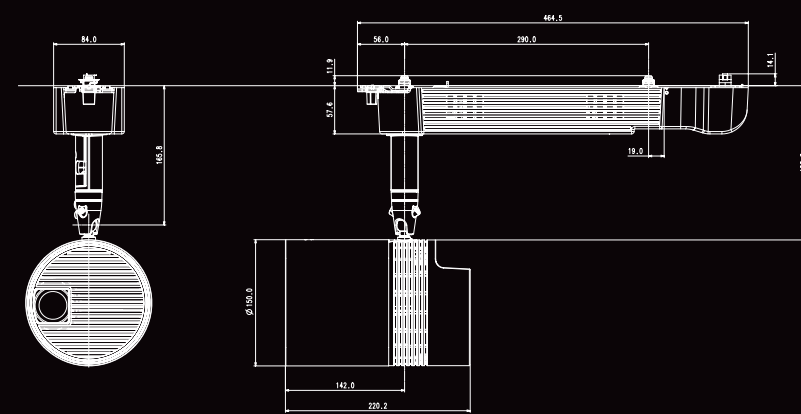

PT-JW130HB0001 (main unit: black)
 PT-JW130HW0001 (main unit: white)

- Unit material: Plastic (white matte finish/black matte finish)
- Brightness: 1,000 lm
- Power Supply: 120 VAC, 1.2A, 50/60Hz (for 120 Duct Use)
- Power consumption: 125W
- Weight: 6.61 lb. (3.0 kg)
- Light source: Laser diode
- Service life: 20,000 hours (50% initial brightness maintained)
- Wireless remote controller supplied
- Panel display method: 1-chip DLP format
- Panel resolution: 1,039,680 pixels (WXGA)
- Recommended image resolution: 1,280 x 800
- Lens: Powered zoom (1 – 2.2 x), Powered focus
- Throw ratio*: 1.5:1 – 3.3:1 (*throw distance: longer screen side)
- Projection area: Down from the horizontal level
- Keystone correction: Horizontal/Vertical/4-point correction (for ±40 degree angles)
- Terminals: HDMI (19-pin), compatible with HDCP
 LAN (RJ-45) 1
 Compatible with network-connecting Pj Link (class 1)
 100 Base-TX, 10 Base-T
- Memory card slot: SD card slot (accepts up to SDHC memory card 32GB) x 1
 Main unit will replay still and movie images
- Wireless LAN: IEEE802.11a/b/g/n
 Compatible with Miracast wireless transmission technology
- Audio output terminal: M3 stereo mini jack

Caution:
